

Be a Part of the
2019 INTERNATIONAL COASTAL CLEANUP
Sept. 14th or 21st

The annual International Coastal Cleanup is the largest volunteer effort aimed at improving the health of the ocean, bringing out more than a *half a million volunteers* from over 90 countries to remove *millions of pounds* of plastics and debris from beaches, lakes and waterways while recording every piece of trash that is found. We hope every Scout will join in to help!

Local Scouts can help by participating in the 2019 Shoreline Clean Up. For more information or to select a lake for your unit to clean, send an email to keptallahasseebeaut@comcast.net or call Diana Hanson at 850-545-6507.

Note: *This year Scout packs and troops can participate on either day. If you do participate, please send a picture of your group to Gail Schaper at gailschaper@gmail.com*
