Council Refund Policy for Rescheduled/Cancelled Events-Activities

COVID-19 has affected us all in some way. If you are reading this, it is most likely because you have requested or are facilitating the request of a refund. Here's what you should know:

- The current policy has been suspended.
- We are offering full refunds.
- Refunds will be provided directly to the person/unit who made the original payment.

Like many of you, the Suwannee River Area Council has also been affected by this pandemic. This came in the middle of our Council's spring product sale, the Camp Card, and our Friends of Scouting appeal has been significantly impacted, including our Council's single largest fundraiser for the year. Because of this, we'd like you to consider helping our Council through this difficult time.

Other Options besides a refund:

- Transfer the funds to a future council activity, training, or camp.
- Convert the funds into a gift to Friends of Scouting.
- Transfer the funds to a unit account.

Please send your written request:

- By mail: 2032 Thomasville Rd. Tallahassee, FL 32308
- Via email: Bob.Norwillo@scouting.org
