

## Health and Safety Action Plan

Updated 6/1/2021

The safety and health of our Scouts, volunteers, families and staff is always the highest priority for the Suwannee River Area Council. The BSA has a long history of planning for and managing for the safety of those involved. Based on the latest guidance from the BSA, CDC and local/state officials, the following is our updated protocols for all SRAC activities and events, including unit events, regardless of location.

### Social Distancing and Mask Wearing:

1. **Indoors** - Social Distancing (6 feet) and mask wearing is required.
2. **Outdoors** - Social Distancing, but no mask required when outdoors.
  - a. Except as recommended by BSA and the CDC
3. Participants are encouraged to bring their own chairs and to share tents with family members only, when feasible.
4. Encourage all participants to bring their own PPE including facemasks, handwipes, hand sanitizer, etc.

### Pre-Check in:

1. Provide the following as part of the registration packet to registered participants in advance of each event:
  - a. [Informed Consent Form](#)
  - b. [Pre-Event and Arrival Medical Screening Checklist](#)
  - c. Required parts of [National Annual Health and Medical form](#), as applicable for the event
    - i. No longer required for any activity that does not include an overnight stay

### Check In:

1. Collect Informed Consent Forms and Pre-Event and Arrival Medical Screening Checklist.
2. Review Pre-Event and Arrival Medical Screening Checklist and conduct temperature check.
  - a. If anyone in the traveling party has a temperature above 100.3 (100.4 or higher) - the entire party will not be able to remain at the event.

### Sanitization:

1. Any bathhouses should be cleaned/sanitized at least once per day.
2. All program areas should be sanitized between group usage.

### Wallwood Specific:

1. Handwashing stations have been added to every Program Area: Waterfront, Scoutcraft, Nature, Trading Post, Trailblazer, Handicraft, and Shooting Sports
2. Shooting Sports has special and specific sanitation guidelines to use when this Program Area is in use.
3. The back room of the Health Lodge will be available as an Isolation/temporary quarantine area
  - a. This area cannot be used by event Staff and the side room is only available for the weekend Health Officer.
